 - by intentional overloading or experiments;

Exclusion (b)(i) shall not apply to other property which is free from fault, defect, error or omission damaged in consequence thereof.

Your Duty of Disclosure

Under the Insurance Contracts Act 1984, You have a Duty of Disclosure. You are required before You enter into, renew, vary, extend or reinstate the Policy, to tell the Insurer everything You know and that a reasonable person in the circumstances could be expected to know, that is relevant to their decision whether to insure You, and if so, on what terms.

You do not have to tell the Insurer about any matter:

- that diminishes the risk,
- that is of common knowledge,
- that the Insurer knows or should know in the ordinary course of their business as an insurer,
- which the Insurer indicates they do not want to know.

Non-Disclosure

If You fail to comply with Your Duty of Disclosure, the Insurer may be entitled to reduce their liability under the Policy in respect of a claim or may cancel the Policy. If Your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the contract from its beginning.

Preventing the Insurer's Right of Recovery

The Insurer's liability to You for a loss under the Policy may be excluded or limited if You enter into an agreement that excludes or limits Your or their rights to recover monies from any other person in respect of that loss. This applies to an agreement before or after You enter into the Policy and before or after the loss.

Other Party's Interest

You must inform the Insurer about all parties (e.g. financiers, lessors) to be covered by the Policy. The Insurer will protect such parties interests only if You have informed the Insurer about them and only if such parties are stated within the Interested Parties area of the Schedule.

Excesses

You will pay an Excess for every claim You make under the Policy, and such Excesses apply separately per Section. However, only the highest Excess is to apply where more than one Excess per Section could be applicable to a claim.

The Excess forms part of the Sums Insured. This means that the maximum amount payable by the Insurer under the Policy are the Sums Insured minus the Excess.

PRODUCT DISCLOSURE STATEMENT

SPECIFIED CONSTRUCTION INSURANCE POLICY

There are various types of Excesses that may apply as follows:

- (a) Major Perils Excess
- (b) Minor Perils Excess
- (c) Existing Structures Excess
- (d) Burglary / theft Excess.

The Major Perils Excess is payable where Insured Damage is caused by a Major Peril.

The Minor Perils Excess is payable where Insured Damage is caused by a Minor Peril.

The Existing Structures Excess is payable where Insured Damage is caused to any Existing Structure covered under Section 1, Additional Insured Items, where declared in the Schedule.

The Burglary / Theft Excess is payable where Insured Damage is caused by burglary or theft.

In addition to the above, other types of Excesses may apply as stated in the Schedule.

How is the Policy Premium Made Up?

The premium payable for the Policy reflects and is affected by many risk factors including (but not limited to):

- The location of the Construction Site
- The cost of the Construction Works
- The length of the required Period of Insurance
- The Excess selected by You
- The methods of construction being used
- The level of Sum Insured for cover options You select

Should any of these risk factors (or any other factors not listed above but which affect the risk covered by the Policy) change during the Period of Insurance, You must inform Ensurance immediately of the variation.

The appropriate premium adjustment will then be calculated and advised to You.

In addition to the risk or base premium described above, the premium payable may be affected by the following taxes, fees and levies:

- Fire Services Levy
- Emergency Services Levy
- Goods and Services Tax (GST)
- Stamp Duty
- A fee charged by Your insurance broker for their services
- A fee charged by Ensurance for their services

Each of these elements, where applicable, will be shown separately in Your Schedule.

How Goods and Services Tax (GST) Affects Any Claims Payments

The premium payable by You for the Policy includes an amount on account of the GST.

When the Insurer pays a claim, Your GST status will determine the amount they will pay:

- (a) where you are not registered for GST, the amount the Insurer will pay includes an amount on account of the GST.
- (b) where you are registered for GST, and You are liable to pay an amount on account of the GST in respect of an acquisition (such as services to repair a damaged item insured under the Policy), the amount the Insurer will pay will include GST less any applicable input tax credit You are entitled to claim.

You must tell the Insurer if You are entitled to claim an input tax credit. The Insurer will not pay any GST liability You incur arising from Your incorrect advice to them.

"GST", "acquisition" and "input tax credit" have the same meaning as given to those expressions in the A New Tax System (Goods and Services Tax) Act 1999.

Financial Claims Scheme

The policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at apra.gov.au or by calling 1300 55 88 49.

Basis of Settlement

In the event of Insured Damage covered by the Policy, the Insurer will pay:

- (a) for the Construction Works and Existing Structures (if insured):
 - (i) in the case of Insured Damage which can be repaired, the cost of repairs necessary to restore the damaged section to the condition present immediately before the event of the Insured Damage, less any salvage enjoyed by You; or,
 - (ii) in the case of Insured Damage which cannot be repaired, the replacement value of the damaged section, less any salvage enjoyed by You;
- (b) for Minor Plant and Equipment and Tools and Major Plant and Equipment (if insured):
 - (i) in the case of Insured Damage which can be repaired, the reasonable cost to repair the damaged item to its former state of serviceability. In addition, when incurred for the purpose of effecting repairs, the cost(s) of dismantling, re-erection, and ordinary freight to and from a repair workshop, custom duties or other imposts levied to the extent that the Sum Insured is not otherwise exhausted.

No deduction will be made for depreciation of parts replaced, but the value of any salvage enjoyed by You will be deducted.

If the estimated cost of repairs equals or exceeds the actual value of the insured item immediately before the loss or damage occurred, then the Insurer will regard the item as destroyed, and settlement will be made on the basis provided for in (ii) below.
 - (ii) in the case of Insured Damage which cannot be repaired, the value of the item at the time of loss or damage, including the reasonable costs of ordinary freight and erection. The value of the item will be calculated by reference to the market value of the item immediately before the Insured Damage, having due regard to its state of repair and condition at that time, less the value of any salvage enjoyed by You.

The Insurer may at their option repair, reinstate or replace any Insured Damage covered by the Policy.

All Insured Damage which can be repaired must be repaired, but if

PRODUCT DISCLOSURE STATEMENT

SPECIFIED CONSTRUCTION INSURANCE POLICY

the cost of repairing any damage equals or exceeds the value of the damaged section or item immediately before the Insured Damage, settlement will be made on the basis provided for under (a)(ii) and (b)(ii) above, as appropriate.

The amount of each claim otherwise payable will be reduced by the amount of the Excess and always limited to the Sums Insured stated in the Schedule.

Adequacy of Sums Insured

The Insurer's liability to You for a loss under the Policy may be reduced if the Sums Insured do not represent the full insurable value of Your property covered by the Policy.

You must ensure that the Sums Insured specified in the Schedule for the following insured items, are not less than:

- (a) for Existing Structures (if insured), their replacement / rebuild value; and,
- (b) for items of Major Plant and Equipment and Minor Plant and Equipment and Tools (if insured), their actual current market value at commencement of the Period of Insurance.

If in the event of Insured Damage the Sums Insured are less than 80% of the amounts required to be insured as per clause (a) and (b) above, the amount recoverable by You under the Policy in respect of these items will be reduced by such proportion as the Sums Insured bear to the amounts required to be insured.

For example, if Your Sum Insured is only 50% of the value of the property required to be insured at the time that the Insured Damage occurs, the Insurer will only cover a proportional amount of Your loss, as set out below:

Full insurable value	\$100,000
Sum Insured	\$50,000 (i.e. 50% of the full insurable value)
Amount of Your loss	\$75,000
Amount the Insurer will pay	\$37,500 (i.e. 50% of the loss) less any Excess

This means You will be responsible for 50% of the loss You suffer (as well as any applicable Excess) because Your Sum Insured was only 50% of the value of Your property required to be insured.

This Adequacy of Sums Insured clause will not apply if the amount of Insured Damage does not exceed 5% of the value of the Sums Insured.

Licensed Tradesmen

You must take reasonable care to ensure all Construction Works are carried out by fully licensed tradesmen, in respect of those trades required to be licensed by law.

Internal Finishes

Prior to the installation of any internal finishes being floor coverings, wall and ceiling panels, ceiling tiles and lining boards, the section of the Construction Works where internal finishes are to be installed must be made weather proof to the extent that all windows, glazing, external

walls, roof and floor openings have been sealed against the ingress of external sources of water and wind.

Partial Occupation of the Construction Works

If the whole or any section of the Construction Works is taken over, occupied, or put into use by You or others prior to completion of the Construction Works, except for completion of minor omissions and minor defects which do not prevent the Construction Works from being capable of being occupied or used for their intended purpose, the Insurer will not be liable for any Insured Damage in respect of:

- (a) the occupants or their property; or
- (b) third parties or their property,

arising from such actions, unless expressly agreed upon and specified in the Schedule and You have paid any additional premium and bear any Excess which may be required by the Insurer.

Reasonable Care and Precautions

You must take all reasonable care and precautions:

- (a) to prevent Property Damage;
- (b) to comply with all laws and statutory obligations and by-laws or regulations imposed by any public authority for the safety of persons or property;
- (c) to employ competent Contractors, sub-contractors of every tier, and employees; and
- (d) to maintain all premises, fittings and plant and everything used in the Construction Works in sound condition.

Policy Cancellation

The Policy may be cancelled:

- (a) by You, giving written notice to the Insurer at any time. Notice will be effective when received by the Insurer. If You have made, or will make a successful claim under the Policy during the Period of Insurance to be cancelled, You will not be entitled to a refund of premium in respect of the unexpired Period of Insurance. In all other circumstances the Insurer may retain the premium for the period the Policy was in force plus 10% of the premium for the unexpired Period of Insurance.
- (b) by the Insurer, in accordance with the provisions of the Insurance Contracts Act 1984. You will be entitled to a refund of premium in respect of the unexpired Period of Insurance, provided You have not made a claim during the Period of Insurance to be cancelled.

In either event, You must provide all information requested by the Insurer to enable the calculation of the final premium.

Cooling Off Period

You have the right to return the Policy within twenty-one (21) days of the date that it was issued or sold to You (herein known as the 'Cooling Off Period') unless You make a claim within the Cooling Off Period.

To do this, You must notify Ensurance in writing. If You return the Policy during the Cooling Off Period, the Insurer will fully refund the premium You paid for the Policy (except for those taxes, levies and other government charges that are non-refundable).

Claims Procedures

Upon the discovery of any Event or circumstance giving rise or likely to give rise to a claim under the Policy, You must:

- (a) give Ensurance notice as soon as is reasonably practicable after You become aware of such happening;
- (b) take reasonable steps to prevent further loss;
- (c) furnish all such proof, information and declaration with respect to the claim as Ensurance or the Insurer may reasonably require;
- (d) at all reasonable times permit the Insurer, their agents or representatives to enquire into, investigate and examine the circumstances of any loss;
- (e) in the event of suspected criminal activity, inform the police;
- (f) if required, carry out repairs or make good any minor damage, but in all other cases You must give the Insurer, their employees, agents or representatives an opportunity to inspect the loss or damage before any repairs or alterations are effected. If no inspection is carried out by, or on behalf of the Insurer within a period of time, which is reasonable having regard to the location of the risk, weather conditions and any other relevant factors, You may proceed with such repairs or replacement.

Multiple Insureds and Severability

Each of the parties comprising You shall for the purpose of the Policy be considered a separate co-insured entity, with the words You, Your, Yourself applying to each as if they were separately and individually insured provided that the Insurer's total liability under the Policy to You collectively shall not exceed the Sums Insured.

Accordingly the Insurer's liability under the Policy to any one insured party shall not be conditional upon the due observance and fulfilment by any other insured party of the terms and Conditions of the Policy or of any duties imposed upon that insured party relating thereto and shall not be affected by any failure in such observance or fulfilment by any such other party.

It is understood and agreed that any payment or payments by the Insurer to any one or more of the insured parties shall reduce to the extent of that payment the Insurer's liability arising from any one Event giving rise to a claim under the Policy.

The Insurer shall be entitled to avoid the Policy in respect of any insured party in circumstances of fraudulent misrepresentation or fraudulent non-disclosure (each referred to in this clause as a Vitiating Act) committed by that insured party.

For the avoidance of doubt it is however agreed that a Vitiating Act committed by one insured party shall not prejudice the right to indemnity of any other insured party who has a financial, legal or equitable interest and who has not committed the Vitiating Act.

The Insurer's Right of Inspection

The Insurer will be permitted but not obliged to inspect the Construction Works or the Construction Site at any time. Neither the Insurer's right to make inspections nor the making of such inspection or any report will constitute an undertaking to determine or warrant that such property or

operations are safe or healthful or are in compliance with any law, rule or regulation.

Subrogation

The Insurer shall waive any rights and remedies to which they become entitled by subrogation against any party insured under the Policy, except as against a party insured under the Policy that is responsible for a Vitiating Act (as defined above under the heading 'Multiple Insureds and Severability').

The information contained in the Schedule sets out the covers that You have selected, including the Sums Insured and Limits of Liability. We rely on the information contained in the proposal form(s) You submitted and any other written or on-line statements or applications made by You or anyone acting on Your behalf.

Your Policy

Your Specified Construction Insurance Policy consists of the Policy terms, Conditions and Exclusions contained within this Policy document, together with the Schedule and any Endorsements We give You.

This Policy is a legal contract between You and Us.

When You pay the premium, We will provide You with the cover You have chosen as set out in this Policy, during the Period of Insurance. The Excesses set out in the Schedule apply to all claims except where otherwise stated.

Please read Your Policy carefully, and satisfy Yourself that it provides the cover You require. If You want more information about any part of Your Policy, please contact Ensurance.

You should keep Your Policy in a safe and convenient place for future reference.

Your Duty of Disclosure

Under the Insurance Contracts Act 1984, You have a Duty of Disclosure. You are required before You enter into, renew, vary, extend or reinstate Your Policy, to tell Us everything You know and that a reasonable person in the circumstances could be expected to know, that is relevant to Our decision whether to insure You, and if so, on what terms.

You do not have to tell Us about any matter:

- (a) that diminishes the risk,
- (b) that is of common knowledge,
- (c) that We know or should know in the ordinary course of Our business as an insurer,
- (d) which We indicate We do not want to know.

Non-Disclosure

If You fail to comply with Your Duty of Disclosure, We may be entitled to reduce Our liability under this Policy in respect of a claim or may cancel this Policy. If Your non-disclosure is fraudulent, We may also have the option of avoiding this contract from its beginning.

Adequacy of Sums Insured

Our liability to You for a loss under this Policy may be limited if the Sums Insured do not represent the full insurable value of Your property covered

by this Policy. It is important that You read and understand the Adequacy of Sums Insured clause in the Conditions to Section 1 of this Policy.

Preventing Our Right of Recovery

Our liability to You for a loss under this Policy may be excluded or limited if You enter into an agreement that excludes or limits Your or Our rights to recover monies from any other person in respect of that loss. This applies to an agreement before or after You enter into this Policy and before or after the loss.

Other Party's Interest

You must inform Us about all parties (e.g. financiers, lessors) to be covered by this Policy. We will protect such parties interests only if You have informed Us about them and only if such parties are stated within the Interested Parties area of the Schedule.

Excesses

You will pay an Excess for every claim You make under this Policy, and such Excesses apply separately per Section. However, only the highest Excess is to apply where more than one Excess per Section could be applicable to a claim.

The Excess forms part of the Sums Insured / Limits of Liability. This means that the maximum amount payable by Us under this Policy are the Sums Insured / Limits of Liability minus the Excess.

Section 1:

- (a) In respect of claims under Section 1, there are various types of Excesses that may apply as follows:
 - Major Perils Excess
 - Minor Perils Excess
 - Existing Structures Excess
 - Burglary / Theft Excess.
- (b) The Major Perils Excess is payable where Insured Damage is caused by a Major Peril.
- (c) The Minor Perils Excess is payable where Insured Damage is caused by a Minor Peril.
- (d) The Existing Structures Excess is payable where Insured Damage is caused to any Existing Structure covered under Section 1, Additional Insured Items, where declared in the Schedule.
- (e) The Burglary / Theft Excess is payable where Insured Damage is caused by burglary or theft.

Section 2:

- (a) In respect of claims under Section 2, there are Excesses for Personal Injury, Property Damage, worker injury and vibration, removal or weakening of supports and/or underpinning.
- (b) Any Excess will become payable by You progressively as the costs are incurred by Us, up to the full amount of Excess as stated in the Schedule.

In addition to the above, other types of Excesses may apply as stated in the Schedule.

SPECIFIED CONSTRUCTION INSURANCE POLICY

IMPORTANT INFORMATION CONT.

How Goods and Services Tax (GST) Affects Any Payments We Make

The premium payable by You for this Policy includes an amount on account of the GST.

When We pay a claim, Your GST status will determine the amount We will pay:

- (a) where you are not registered for GST, the amount We will pay includes an amount on account of the GST.
- (b) where you are registered for GST, and You are liable to pay an amount on account of the GST in respect of an acquisition (such as services to repair a damaged item insured under this Policy), the amount We will pay will include GST less any applicable input tax credit You are entitled to claim.

You must tell Us if You are entitled to claim an input tax credit. We will not pay any GST liability You incur arising from Your incorrect advice to Us.

“GST”, “acquisition” and “input tax credit” have the same meaning as given to those expressions in the A New Tax System (Goods and Services Tax) Act 1999.

In the event of Insured Damage covered by this Policy, We will pay:

(a) for the Construction Works and Existing Structures:

- (i) in the case of Insured Damage which can be repaired, the cost of repairs necessary to restore the damaged section to the condition present immediately before the event of the Insured Damage, less any salvage enjoyed by You; or,

No deduction will be made for depreciation of parts replaced, but the value of any salvage enjoyed by You will be deducted.

If the estimated cost of repairs equals or exceeds the actual value of the insured item immediately before the loss or damage occurred, then We will regard the item as destroyed, and settlement will be made on the basis provided for in (ii) below.

- (ii) in the case of Insured Damage which cannot be repaired, the value of the item at the time of loss or damage, including the reasonable costs of ordinary freight and erection. The value of the item will be calculated by reference to the market value of the item immediately before the Insured Damage, having due regard to its state of repair and condition at that time, less the value of any salvage enjoyed by You.

We may at Our option repair, reinstate or replace any Insured Damage covered by this Section.

All Insured Damage which can be repaired must be repaired, but if the cost of repairing any damage equals or exceeds the value of the damaged section or item immediately before the Insured Damage, settlement will be made on the basis provided for under (a)(ii) and (b)(ii) above, as appropriate.

The amount of each claim otherwise payable will be reduced by the amount of the Excess and always limited to the Sums Insured stated in the Schedule.

CONDITIONS

The following Conditions apply to Section 1 of this Policy. There are also General Conditions which apply to all Sections of this Policy.

Adequacy of Sums Insured

The Sums Insured specified in the Schedule for the following insured items, are not less than:

- (a) for Existing Structures, their replacement / rebuild value; and,
- (b) for items of Major Plant and Equipment and Minor Plant and Equipment and Tools, their actual current market value at commencement of the Period of Insurance.

If in the event of Insured Damage the Sums Insured are less than 80% of the amounts required to be insured as per clause (a) and (b) above, the amount recoverable by You under this Policy in respect of these items will

SPECIFIED CONSTRUCTION INSURANCE POLICY

SECTION 1 – MATERIAL DAMAGE CONT.

be reduced by such proportion as the Sums Insured bear to the amounts required to be insured.

For example, if Your Sum Insured is only 50% of the value of the property required to be insured at the time that the Insured Damage occurs, We will only cover a proportional amount of Your loss, as set out below:

Full insurable value	\$100,000
Sum Insured	\$50,000 (i.e. 50% of the full insurable value)
Amount of Your loss	\$75,000
Amount We will pay	\$37,500 (i.e. 50% of the loss) less any Excess

This means You will be responsible for 50% of the loss You suffer (as well as any applicable Excess) because Your Sum Insured was only 50% of the value of Your property required to be insured.

The above clause will not apply if the amount of Insured Damage does not exceed 5% of the value of the Sums Insured.

Licensed Tradesmen

You must take reasonable care to ensure all Construction Works are carried out by fully licensed tradesmen, in respect of those trades required to be licensed by law.

Internal Finishes

Prior to the installation of any internal finishes being floor coverings, wall and ceiling panels, ceiling tiles and lining boards, the section of the Construction Works where internal finishes are to be installed must be made weather proof to the extent that all windows, glazing, external walls, roof and floor openings have been sealed against the ingress of external sources of water and wind.

Partial Occupation of the Construction Works

If the whole or any section of the Construction Works is taken over, occupied, or put into use by You or others prior to completion of the Construction Works, except for completion of minor omissions and minor defects which do not prevent the Construction Works from being capable of being occupied or used for their intended purpose, We will not be liable for any Insured Damage in respect of:

- (a) the occupants or their property; or
- (b) third parties or their property,

arising from such actions, unless expressly agreed upon and specified in the Schedule and You have paid any additional premium and bear any Excess which may be required by Us.

EXCLUSIONS

The following Exclusions apply to Section 1 of this Policy. There are also General Exclusions which apply to all Sections of this Policy.

We will not be liable for any loss or damage:

- (a) caused by wear and tear, corrosion, oxidation or deterioration, due to lack of use or atmospheric conditions.

This Exclusion additionally applies to any loss of use, occupancy or functionality, or any costs or expense arising from its removal, clean up, abatement, disposal or other steps taken to control its future presence or medical and/or legal concern.

We will not be liable for the cost of:

- (k) the:
 - (i) replacement, repair or rectification of any Insured Damage caused by any fault, defect, error or omission in material, workmanship, design, plan or specification, but this Exclusion will be limited to that component part or individual item that is faulty or defective or subject to error or omission;
 - (ii) any property lost or damaged to enable the replacement, repair or rectification of (k) (i) above.

Exclusion (k) (i) shall not apply to other property which is free from fault, defect, error or omission damaged in consequence thereof.

For the purpose of this Policy and not merely this Exclusion, property shall not be regarded as lost or damaged solely by virtue of the existence of any fault, defect, error or omission in material, workmanship, design, plan or specification in any property item or component part thereof.

Accordingly Our liability under this Policy to any one insured party shall not be conditional upon the due observance and fulfilment by any other insured party of the terms and Conditions of this Policy or of any duties imposed upon that insured party relating thereto and shall not be affected by any failure in such observance or fulfilment by any such other party.

It is understood and agreed that any payment or payments by Us to any one or more of the insured parties shall reduce to the extent of that payment Our liability to You arising from any one Occurrence or Event, as relevant, giving rise to a claim under this Policy.

We shall be entitled to avoid this Policy in respect of any insured party in circumstances of fraudulent misrepresentation or fraudulent non-disclosure (each referred to in this clause as a Vitiating Act) committed by that insured party.

Our Right of Inspection

We shall waive any rights and remedies to which We become entitled by subrogation against any party insured under this Policy, except as against a party insured under this Policy that is responsible for a Vitiating Act (as defined in the Multiple Insureds and Severability General Condition).

In the event that We have a right to recover any monies payable under this Policy from any person other than You, You must co-operate with Us fully in any action which We may take. We may take action before We pay Your claim and whether or not You have been fully compensated for Your actual loss.

Other Insurance

Breach of Conditions

Any breach of any Condition of this Policy, without Your knowledge and consent or beyond Your control shall not prejudice the cover provided by this Policy. In all other circumstances We may retain the premium for the period the Policy was in force plus 10% of the premium for the unexpired Period of Insurance.
